Ms. Nugent,

Thank you for your response. Since Kaiser Cement Corporation has sent notice letters to more than 35 insurers concerning its potential liability in the Lower Duwamish Waterway Superfund site, it would be helpful for you to identify which insurers that you will be handling this claim on behalf of. I understand that you are going to be sending me a confirming letter, however, for us to properly assign your contact information to the correct insurers and policies, we would appreciate for you to let us know which insurers and policies you represent.

Steve
